We thrive on long-term client partnership, with immaculate passion to provide customized holiday packages, flights and hotels bookings along with other value added travel facilities in domestic and international market. Our mission is to translate every travel requirement into happy experience with innovative and unique concepts.

Any place you want to go to on this blue-green marble of a planet is straight up our alley. Whether you are a group of feisty adventurers or budding young Marco Polos or history buffs or even a pious group looking to visit places of religious significance, we can craft a customized solution for your specific needs. Our world wide connection enables us to offer custom – made domestic as well as international tours to suit client's requirements and iron out all the travel nuances to ensure a memorable journey.

We are **BUILDING A GLOBAL COMMUNITY OF HAPPY TRAVELERS!**

LEISURE TOURS:

From Antigua to Zanzibar, historic French chateaux to luxurious spas and wellness centers, we work towards giving you a perfect holiday. Chill out in the calm of a rainforest lodge or enjoy the 5 Star hospitality in the bustling heart of a famous city, Safari through Kenya's mighty rift valley, Yachting on the azure seas of the Mediterranean or teeing off at some of the world's most prestigious golf courses, ride the Blue Train across South Africa, zip across Italy in a red Ferrari or settle for a relaxing and luxurious Cruise to the Caribbean. Also be assured of some of the most romantic destinations on the planet for your Honeymoon.

EDUCATIONAL TOURS:

Our educational tours are designed for students to have exposure to adventures, discoveries and experience of tourist destinations. Our Student Travel experts ensure that elements of the curriculum are incorporated into the tour so that students can embrace all the wonderful things there are to learn and enrich their intellectual base.

Pre-tour preparation:

We provide students and their parents with all the information about the trip in advance along with a detailed brochure outlining the itinerary and trip information. Our expert team liaises directly with teachers, administrators, students and parents and guides them through the planning process.

Logistics:

Our tour experts at Travelon take care of every detail of the tour. From airfare to travel insurance, accommodation to tasty delicious food, local transport to sightseeing tickets, everything is included in our prices and the only thing that the students need to carry is their zest for adventure and a little pocket money.

Customized payment options:

We offer payment plan options for students and parents who want to make a series of payments rather than one large deposit.

Safety:

Safety is given utmost priority on our tours hence we maintain a high level of safety standards. We personally take care of various safety measures and hygiene in all hotel accommodations before finalizing our program. Our tour directors are well trained in handling all aspects of students' safety and are always available for them.

Full-time tour director:

An experienced tour escort is present throughout the tour to take care of all the minute details of the programme letting students to enjoy the tour without worrying about any of the arrangements.

INCENTIVE TOURS:

Conferences, Kick off meetings, Cycle Meetings, Team Building Activities.

Travelon Incentive Tours can give your group just the drive it needs to surpass the competition in these challenging times and take you ahead in your industry, as well as raising employee morale and job satisfaction. It's also a great way to thank loyal clients and attract new ones. Travelon Performance Group has the experience and expertise to make this innovative asset an effective part of your organisation's strategy.
